

2013 Winter Series Workshops

Thursday Workshops are held 2:00—4:30 PM at NSCECE, 6208 Quinpool Road, 2nd Floor Halifax (unless otherwise specified)**

THURSDAY WORKSHOP SERIES:

Thinking WITH Children—Going Deeper

As teachers we often give children 'things to do' - activities to keep them happy, busy and engaged; but do you feel that there could be more depth to your work? Do you ask yourself what the children are investigating and thinking about? Why do some materials engage children more than others? How can we scaffold the children's thinking—go deeper?

This series of workshops will examine our image of children and how they learn, our role in thinking alongside children and invite us to explore materials and strategies that will help us dig deeper into the whys and hows of our work. This series is designed for early childhood educators who are ready to deepen and broaden the scope of their work with children. Join us for some teacher research, conversation and networking with others who share an interest in deepening their thinking with children.

Thursdays 2:00—4:30 PM

* February 7, 14, 21, 28

Job Fair

NSCECE will be hosting its annual Job Fair on Wednesday, January 30, 3:30—5:00 at 6208 Quinpool Road, Halifax.

This is a unique recruiting possibility and a wonderful opportunity to meet our first and second year students. NSCECE expects to graduate over 45 students in May 2013. Students are looking forward to sharing their resumes and getting a chance to find out more about your program.

Contact Barbara Rowe 423-7114 Ext 224, studentsuccess@nscece.ca to reserve your table.

Look for the workshop symbol

The college offers a wide variety of workshops each year to help meet the diverse professional development needs of people working in early learning and child care settings. It is our belief that people at different stages of their career look for different types of professional development opportunities and are interested in different types of conversations about their work. Look for these symbols on our workshop schedules to help you decide if a workshop fits your stage of development.

-  **Budding:** Just starting your career in early childhood education? These workshops are designed to meet your early needs and to prepare you for the challenges that lie ahead.
-  **Advancing:** Growing in your career? Past the basics? These workshops provide advanced training for maturing early childhood educators, which will reinvigorate you and motivate you to climb a little higher.
-  **Master:** These workshops are designed to challenge seasoned early childhood educators who have a rich background in ELCC. You'll dig deeper and find new and innovative information for your maturation and skill level.
-  **Something here for everyone.**
